Proceeds from the Night at the Races will benefit the missions and programs of the Chamber of Commerce and **Care for Others**, a Geauga county, faith-based organization that strives to prevent hard-working individuals and families from potentially entering the cycle of poverty by providing them with financial assistance during a particularly difficult time. With a focus on returning to self sufficiency through hard work, **Care for Others** provides assistance to those who are willing to work, but are temporarily unable to manage their day to day expenses due to circumstances beyond their control.
