Proceeds Benefit Gail & Frank Smith Medical Bills

Sponsored by Care for Others and Friends & Family

Gail (Miller) Smith was recently diagnosed (May 8, 2016) with lung cancer and brain lesions. She has undergone multiple treatments and then on March 21, 2017 had brain surgery to remove a tumor. Gail has been fighting this battle every minute of every day since her diagnosis, but continues to remain positive and committed to winning this fight! All of the treatments that Gail has undergone has rendered enormous medical bills and any and all support would be greatly appreciated.
